REFERRALS

"Melinda is a joy to work with. Her communication is frequent, and she is able to work without an overabundance of supervision. Her work is delivered promptly, and of high quality. She is responsive and tenacious about pursuing feedback and having the customer be satisfied with the end product. Top qualities: Personable, Good Value, High Integrity"

– **Brian Halverson, Expert Technology Services**

"Melinda took our ideas for a company Web site and ran with them. We were extremely pleased at the results (even three+ years later, we haven't needed to make but a couple of minor changes). We would certainly use her again! Top qualities: Great Results, Expert, On Time"

– **Saxton Weir, Maverick Converting and Logistics**

"I like the way Melinda takes initiative and uses what little information I provided her with and makes something great out of it. Top Qualities: Good Value, On Time, High Integrity."

– **Scott Offord, Bytes and Sites, LLC**

"Melinda regularly interacted with a variety of individuals on campus, from faculty to her peers, with great dedication in following a project through to completion. She is very well balanced, self-disciplined and is able to excel in any position she finds herself."

– **Beth Schaefer, Manager at Student Technology Services at UW-Milwaukee**
